The Babbling Bruch

There has been some concern expressed about the reception of Holy Communion during this flu season. I am aware that Sacred Heart Parish is accustomed to giving a 'verbal' sign of peace and also not offering the cups with the precious blood at communion time. Instead of this practice, I would like to suggest that if you do not wish to exchange a sign of peace with a handshake, etc., please indicate that by crossing your arms or giving some sign you do not wish to participate. The same with receiving from the cup. Both of these have always been options, and one is free to participate or not throughout the year. I would ask that all ordinary and extraordinary ministers of Holy Communion in all our clustered parishes use anti-bacterial lotion available on the credence tables, in case there are some who are concerned.
